		Application Deadline	5PM 20 March 2017
		Winners Announced	10 April 2017
		Required Presentation	Fall 2017

Description

The Measuring & Monitoring Services, Inc. Internship Fund provides \$3000 of financial support to a School of Architecture undergraduate student who wishes to undertake a summer internship or related program, under the guidance of established professionals. The internship fund recognizes the importance and advantage of being immersed for an extended period in the creative processes and organizational dynamics of an architecture firm, non-government organization, non-profit organization or CMU faculty member.

Funds may be used to supplement paid internships, to volunteer for non-profit or non-government organizations, or to participate in a research project with a CMU faculty member. Funds are not to be used to compensate for unpaid internships.

- Eligibility**
- School of Architecture undergraduate student
 - Minimum QPA of 2.50
 - If knowledge of a foreign language is necessary, candidates must demonstrate ability to communicate on at least a functional level in the language of their host country.
-

- Selection Criteria & Process**
- To qualify for a grant, candidates must independently apply to an internship program or similar creative experience related to their field of study.
 - The program must be no less than six weeks in duration and occur during the summer preceding their final year of undergraduate study at Carnegie Mellon.
 - Candidates must demonstrate an appropriate degree of competency in their selected field of study through presentation of an architectural portfolio.
 - Recipients will be selected by the Head of The School of Architecture. The Head reserves the right to award the prize to the second-ranked proposal in the event the first-ranked recipient fails to provide documentation of acceptance into their proposed internship by 28 April 2017.
 - If no students meet the criteria for a grant in the current year, monies will be invested and awarded the following year.
