

# CARNEGIE MELLON —ARCHITECTURE

*Shray Tripathi studies*

**48-644: Pre-Thesis**

**Units: 3**

**Instructor: Sinan Goral**

This course is designed for M.Arch students a year before their final Spring semester. The course develops an understanding of research methods and explores the formation of ideas for architecture thesis projects. Many directions of architectural thinking (spatial, material, ideological and procedural), will be discussed and in framing a theoretical position we will see how an architecture thesis can use a creative process to discover and express findings in relation to large questions and to disciplinary discussions.

This is a required course for Fall Thesis Seminar in the Fall 2024 semester (9 units) and the Spring Thesis ASOS in the Spring 2025 semester (18 units).
